Subject: LSRG Coordinator Contact Info

Hi Tauren,
My contact info is below, please copy me on the DMZ correspondence you mentioned and all other mail or e-mail correspondence regarding the Lemberger sites.

While TRC is the supervising contractor for the Lemberger sites work, the LSRG would like to have me, as their group representative, included on all DNR/EPA correspondence, calls, etc., pertaining to the site including calls with TRC. This may not be applicable when you make a quick informal call to TRC to ask a question, etc., but for planned calls and e-mails please be sure to copy me.

Thanks,
Tom
