Subject: **Close Out** of 2nd NOTICE OF NON-COMPLIANCE
No Further Action Request Status
$250 Filing Fee Needed: Invoice Enclosed
Paul Goebel Trucking, 34 Kohlman Rd, Fond du Lac, Wisconsin

Dear Mr. Goebel:

On November 14, 2011, the Wisconsin Department of Natural Resources received your Site Investigation sampling results dated October and November 2009 for the Paul Goebel Trucking located at 34 Kohlman Rd, Fond du Lac, Wisconsin BRRTS Activity #02-20-553795. The soil samples were taken from test pits, soil probes and borings by Engel & Associates, Inc and analyzed by PACE Analytical following the Site Investigation Work Plan dated October 19, 2009.

This submittal closes out the Department's October 8, 2011 Notice of Non-Compliance and documents that no further action is necessary at this site; other than the submittal of a No Further Action Request **filing fee of $250**.

A "pause" will be placed on this No Further Action request until the filing fee is written to and mailed to the Wisconsin Department of Natural Resources, Attention: Diane Hansen – RR Program Associate, WDNR, 2984 Shawano Avenue, Green Bay, WI 54313. Please submit the filing fee **within 30 days** of receiving this letter.

Wisconsin Department of Natural Resources, Northeast Region, Project Manager – Christine Lilek has reviewed the sample results and concurs that excavation and proper disposal of petroleum contaminated soils have occurred. Residual levels of petroleum organics in the soil on this parcel will not pose a risk to groundwater or direct human contact in the future.

Therefore, the investigation and remedial actions performed for this project have been sufficiently completed and the Department of Natural Resources is requiring no further action at this time other then payment of the $250 filing fee.

We appreciate your efforts to protect the environment at this site. If you have any questions regarding this No Further Action determination, please contact me in Plymouth Service Center at (920) 892-8756, extension 3025.

Sincerely,
Christine F Lilek
