Eric and Tim,
Michelle Peters of Ramboll submitted on behalf of the City of West Allis the SIR/RAOR/RAP for the subject property which is immediately adjacent to the south of the main site of the new DPW facility. We would like to set up a meeting to go over these documents with you and your team to answer any questions you may have after you have had an opportunity to review the documents. I've included a schedule poll with some dates and times the week of August 26. Hopefully, we can find a time for a Teams meeting during that week that works for everyone included in this email.

If you have any questions prior to the meeting, please feel free to reach out to myself, Michelle, or Mitch.

Thank you,
Melinda
