Hi Jason, since there was no review fee submitted there is no formal review followed by a department letter.

So you are able to continue work with remediation or closure depending on what the data shows.

If you have further questions feel free to contact me.

Dee,

We uploaded the Site Investigation report for the XPO Logistics site in Tomah, WI in April. Just wondering if WDNR is conducting review, or what the next steps are for the site?

Thank you,

Jason Blazier, PG \ Burns & McDonnell
