Mackenzie,

I'm trying to get it reviewed by the client and submitted next week sometime. It's hard to tell when you have two lawyers and an insurance company reviewing it for the client. I will remind them of our submittal extension to help push it through. I will give you another status next week.

Thanks,

ricmaz

Hi Mac,

I hope you are doing well. I just got the signed proposal from the RP today and sent a procurement request for the DNR review check. Also, I just handed the draft work plan to our office principal for review, I will get it to the RP asap.

Thanks,

ricmaz

Hi Ric,

I took a look at the site on BRRTS and the RPs are correct. Sometimes BRRTS doesn't load the RP correctly or right away.

Thanks,

Hi Mackenzie,

I am working on the site investigation addendum work plan for this site. Why does the BRRTS online case entry list "CITY OF BERLIN 108 N CAPRON ST, BERLIN, WI 54923" under the Responsible party? When I looked up the BRRTS

02-30-577102 case in January 2024, the BRRTS website listed both Jacob Butz and Christopher Diakoumakos (the current property owner) as the RP's. Has something changed regarding the RP status or is the BRRTS listing now in error? Please let me know when you have a moment.

Thanks,

ricmaz

Hi Mackenzie,

Thank you for reaching out. Ramboll submitted a proposal to the Responsible Party (RP) and their insurance company on January 14th. Ramboll discussed the proposal with the RP in a call last week. The RP is looking over the proposal including the scope of work and associated costs and we expect to have a signed proposal shortly.

Ramboll is requesting 30 days (from proposal authorization) to prepare and submit the site investigation work plan (which will be based upon receipt of the RP's authorization to conduct the work). Ramboll expects the signed proposal by this week Friday (I will contact you then to confirm) so you will have the work plan by March 16th.

Thank you,

Ricmaz- Ramboll
