130 or 50 cm

‡Non-denatured or denatured ethanol.

STEP 5: Coordinate voucher and sample submission and verification with regional DNR staff for all AIS records for the specific region.

- Plants will be compiled and entered into a spreadsheet to be verified and submitted to a herbarium by an in-person appointment. Please indicate which herbarium: Freckmann Herbarium, Wisconsin State Herbarium, Other _. Date of herbarium meeting
- Snails will be compiled with other regional snail specimens and sent to UW La Crosse. Date sent
- Dreissenids will be sent to Science Services. Date sent
- Crayfish compiled and sent to: Craig Roesler or Scott VanEgeren. Date

STEP 6: Data was entered into SWIMS on	crayisii complied and sent to, craig noesier or scott valitgeren. Date
-	וובמכו כוו.
by	Date .

Once data is entered, send scans of data sheets to central office (Maureen. Ferry@Wisconsin.gov and Amanda. Perdzock@Wisconsin.gov)

STEP 7: Data was proofed on

Notes:
