## **Trout Stream Classification Checklist** (revised 7/2012)

(This checklist should be completed and accompany any trout stream classification changes. Check the items as appropriate and attach comments if desired.)

Stream name: Unnamed tributary to Bark River

County: Bayfield WBIC: 5000341

Define the portion of the stream to be classified. Please provide both a written description and the coordinate locations of the upstream and downstream beginning and end points.

<u>Unnamed tributary to Bark River in Clover Township (T50N, R7W, Sect. 13). 1.0 mile beginning at the abandoned powerline corridor, located approximately 1.7 miles east from the intersection of Deswart Road and Bark River Road, downstream to the confluence with Bark River.</u>

This written description should reference permanent, unambiguous landmarks that would allow a person unfamiliar with the area to locate the points (e.g., dams, road crossings, stream confluences, county lines, section lines, township lines)

Upstream point coordinates: 91° 10' 13.6" W, 46° 48' 12.5" N Downstream point coordinates: 91° 11' 14.0" W, 46° 48' 42.3" N Classification proposed: 1a

- X Fish survey (including relative abundance, length distribution, and age structure) and habitat survey completed on water to be classified Survey on file at what location: <u>DNR Superior paper files and Superior network electronic files</u>
- $\underline{X}$  Water leader has consulted with other Water Division Bureaus, especially for class III waters.

Date: <u>10-4-2013</u>

<u>X</u> Public notice published in local newspaper or other media Date: 10-24-2013

X	Notice sent to all clerks of the county, town, city, of the stream is located  Date: 11/4/2013	or village in which								
X	Notice sent to legislators in the affected districts Date: 11/4/2013									
X	Notice sent to chairpersons of legislative committees with jurisdiction for natural resources issues  Date: 11/4/2013									
X	No hearing requested 30 days after public notice									
	Hearing requested, held, and classification recomn Date	nended
