Trout Stream Classification Checklist (revised 7/2012)

(This checklist should be completed and accompany any trout stream classification changes. Check the items as appropriate and attach comments if desired.)

Stream name: Unnamed tributary to Sandy Run

County: Douglas WBIC: 2863300

Define the portion of the stream to be classified. Please provide both a written description and the coordinate locations of the upstream and downstream beginning and end points.

Unnamed tributary to Sandy Run in Brule Township (T47N, R10W, Sect. 13). 0.3 mile beginning from the Douglas/Bayfield County line (SE/NE of Sect. 13) 0.1 mile south of U.S. Highway 2, downstream to the confluence with Sandy Run. This segment will join with the existing 1.65-mile, Class 1 segment that continues downstream to the confluence with the Little Bois Brule River.

This written description should reference permanent, unambiguous landmarks that would allow a person unfamiliar with the area to locate the points (e.g., dams, road crossings, stream confluences, county lines, section lines, township lines)

Upstream point coordinates: 91° 33' 12.67" W, 46° 33' 13.12" N

Downstream point coordinates: 91° 33' 33.75" W, 46° 33' 12.59" N

Classification proposed: 1a

- X Fish survey (including relative abundance, length distribution, and age structure) and habitat survey completed on water to be classified Survey on file at what location: <u>DNR Superior paper files, Superior network electronic files, Fisheries Management Database (query WBIC)</u>
- <u>X</u> Water leader has consulted with other Water Division Bureaus, especially for class III waters.

Date: <u>10-4-2013</u>

<u>X</u> Public notice published in local newspaper or other media Date: 10-22-2013

X	Notice sent to all clerks the stream is located Date: 11/4/2013	s of the county, town, city, o	r village in which						
X	Notice sent to legislators in the affected districts Date: 11/4/2013								
X	Notice sent to chairpersons of legislative committees with jurisdiction for natural resources issues Date: 11/4/2013								
 X No hearing requested 30 days after public notice Hearing requested, held, and classification recommended Date
