

Citizen Resolution # 010321

(For Hearing Officer completion)

Walleye bag limit reduction on The Wisconsin River from the Nekoosa Dam downstream to the Prairie Du Sac Dam

This proposed rules change would decrease the daily bag limit to 3 walleye or sauger per day. The current limit is 5 per day. Due to its close proximity to large populations this stretch of The Wisconsin River is seeing increased angling pressure. Coupled with advanced electronic technology as well as tackle industry improvements are putting increased pressure on the walleye fishery. After many discussions with local anglers as well as guides the thought is the 3 fish limit would help us maintain healthy walleye populations in the system. A 3 fish limit would relieve some of the pressure on the walleye which is the most important game fish in the system.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
