

Citizen Resolution # 050922

(For Hearing Officer completion)

Senior Firearm Deer Hunt Implementation

Our life-long Wisconsin deer hunters that are age 70 and older enjoy harvesting and consuming venison. As our Senior hunters age they often require assistance from a younger family member or friend to access a deer stand, field dress and drag a deer. A special Senior firearm deer hunt in early October would allow this group of hunters to harvest deer while the weather is warmer. Younger family members and friends that firearm hunt in November would be more available to assist our Senior hunters during their special October hunt.

Would you support the Conservation Congress work with the state legislature to implement an annual Senior Firearm Deer Hunt in early October?
