

Citizen Resolution # 090522

(For Hearing Officer completion)

Legalize ATV's on all Wisconsin snowmobile trails during during the regular open season only.

ATV's provide the state of Wisconsin with a great economic boost every year. By allowing the ATV's to operate on snowmobile trails during the regular snowmobile season only, the state of Wisconsin as a whole will see an increase in the overall revenue and enjoyment. The ATV's should only operate during the regular snowmobile season only as a means to provide more opportunities for people to enjoy this state.

Would you support the Conversation Congress working with the state legislature to designate all snowmobile trails as ATV trails during the regular snowmobile season only?
