

Citizen Resolution # 090622

(For Hearing Officer completion)

Traditions NitroFire Muzzleloader

This muzzleloader uses a Federal Premium Fire Stick which is an encapsulated charge that loads from the breech with the bullet being loaded from the muzzle. Fire Stick unloads quickly, simply, and safely by slipping it out of the action. Wisconsin currently does not allow this technology for muzzleloader hunting but there are 21 states that do.

Would you support the use of the Traditions NitroFire for use during the Wisconsin muzzleloader season.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
