Citizen Resolution # _091121

(For Hearing Officer completion)

Legal transportation of game fish

I would like to submit a citizen's request for a rule change that is putting thousands of people in violation of the law and they do not know they are in violation. On page 9 of the fishing regulations, it states: "to transport fish subject to a length limit, unless you keep the carcasses of the fish with the fillet and the skin and scales intact (on the fillet) to show the fish still meet the length restrictions." This means any person who cleans a fish that meets the requirements above at a campground, resort, cabin, or cleaning station is in violation the minute they place a fillet in the car to travel home without the carcass.

Who in the world is going to keep the entire carcass of the fish in the summer when they are on a weekend getaway or on vacation? Fish get very sticky when they spoil or who has that kind of freezer space. This is a great way to promote tourism in our state. Towns and counties build very nice fish cleaning stations with fish grinders for us sportspersons to use near the boat landings just to get ticketed as you drive away from the cleaning station. A warden in the Oconto area is doing just that! This rule needs to be removed as soon as possible, so the hard-working people of the state or visitors to our state are not in violation of this completely stupid rule. I believe any warden would be able to estimate the size of the fish by adding the approximate head and tail length. Thank you for your time.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your local WCC delegates with questions or for assistance with writing your resolution.
