

Citizen Resolution # 100622

(For Hearing Officer completion)

Reduction of Pan fishing on Mead Lake in Clark County

Fishing pressure on Mead Lake, in Clark County, is very heavy, particularly during ice-fishing season. The current pan fish limit is 25 per day and all are of a single species. A daily limit of 10 pan fish of the same species would allow more fish to grow to a larger size and result in better quality.

Support the allowable daily bag limit of 10 pan fish of any one species to be taken on Mead Lake, year around.
