

# Citizen Resolution # 110123

**Give the option of an archery tag or gun tag with purchase of sports license (may require legislation)**

Currently, when buying a sports license you get small game, fishing and gun deer tag. This Resolution proposal is to give hunters the option of choosing an archery tag OR gun tag with the purchase of a sports license. Sold individually, the archery or gun tag cost \$24.00, and the DNR would still receive the license fee. In my case I usually only buy an archery tag. If I could choose an archery tag, I would spend the extra money and get the sport license which would increase revenue to the DNR.

**Would you support allowing a hunter to choose either an archery tag OR gun tag when purchasing a sports license? (may require legislation)**
