(For Hearing Officer completion)

## Maintain the Tradition of In-Person “Hands-On” Hunter Education Classes

**Whereas, Hunter Education has been a fixture in Wisconsin since 1967, Whereas, the people of Wisconsin expect hunters, of any age, to practice safe gun handling skills,**

**Whereas, volunteer instructors continue to train over 21,000 new hunters each year; since the program began, over 1.2 million hunters have been certified, Whereas, in 1966 there were 264 hunting incidents, down to an average of 20/year from 2010-2020,**

**Whereas, Wisconsin presently has “hands-on” training options available to the public to meet their schedules, so no additional costs to Wisconsin will be incurred, Whereas, the importance of engaging students in “hands-on” learning, including the four safety rules which are: Treat every firearm as if it is loaded; Always point the muzzle in a safe direction; Be certain of your target, what’s in front & beyond; Keep your finger out of the trigger guard until ready to shoot, is of paramount importance,**

**Whereas, retention of material learned solely from a computer only based course is minimal for many. This "hands on" training will assure the public that these new hunters were properly evaluated and certified in safe firearm handling practices. It is recommended that any new hunter under the age of 18, be required to take a “hands-on” safety course. It is also recommended that any adult, new to hunting with firearms, be strongly encouraged to take a “hands-on” safety course."**

**Be it resolved, Would you support the Conservation Congress, in an effort to continue the reduction of hunting incidents, work with the NRB and State Legislature to mandate that any new hunter under the age of 18 be required to take an in-person, “hands-on” safety course?**

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
