

Citizen Resolution # 180422

(For Hearing Officer completion)

Ban the use of dogs/hounds to hunt wolves in the state of Wisconsin. (Requires legislative action to remove from State Statute 29.185(6)(c) as an authorized hunting method)

Many citizens of Wisconsin are opposed to the use of dogs/hounds for the hunting of wolves. Citizens are concerned about the dog/hound – wolf interaction and the potential harm to both animals. And the potential for dogs/hounds and hunters to trespass on private land when pursuing an animal. Trapping and non-dog/hound hunting methods have proven effective in the harvesting and management of wolves and the removal of the dog/hound hunting method would not impact the harvest and management of wolves in the state of Wisconsin when there are legal hunting seasons.

Do you support the Conservation Congress working with the DNR, Legislature, and the NRB to eliminate the use of dogs/hounds as a method of hunting wolves in the state of Wisconsin?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
