

Citizen Resolution # 440121

(For Hearing Officer completion)

Reduce crappie bag limit to 10 on Willow Flowage in Oneida county.

The number of anglers on the willow flowage has increased exponentially over the past decade. With that has come a significant reduction in successful outings while pursuing crappies. It is clear the population has declined sharply due in part to the increased fishing pressure over the past decade. Do you support changing the daily bag limit on the Willow flowage to a 25 panfish limit but no more than 10 of anyone species?
