

Citizen Resolution # 600222

(For Hearing Officer completion)

Designate a 12" size limit for trout on the entire Class 1 portion of the Onion River in Sheboygan County.

The size limit for trout on the Onion River is now 12" upstream of the County E. bridge and 9" below County E. This size limits were put in place during a time when rainbow trout were stocked in the river. Stocking is no longer done as the Onion is a self-sustaining brown trout fishery. A consistent size limit would improve the fishery by allowing more trout to reach spawning age. A consistent regulation would also reduce confusion and compliance with the regulation.

Would you support a consistent 12" size limit for trout on all Class 1 waters of the Onion River?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
