

Citizen Resolution # 650121

(For Hearing Officer completion)

Upland Blaze Orange Requirement

This resolution gives consideration to the safety of all Wisconsin upland bird hunters. Wisconsin is one of the only states throughout the midwest that does not have a requirement to wear (400) square inches of blaze orange upper garment with hat.

Wisconsin has always taken pride in their hunter safety programs and now with mentoring of younger family members being introduced to the great tradition of upland hunting in our state I feel that introducing this common sense resolution would only strengthen our commitment to hunter safety while spending time in the woods and fields.

Would you support requiring upland (game/bird) hunters to wear at least 400 square inches of blaze orange material above the waist?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
