

Citizen Resolution # 670223

Reduce panfish bag limit from 25 to 10 on Amy Belle Lake in Washington County

Amy Belle Lake is a small fishery in Washington County and is subject to the standard daily bag limit of 25 panfish per day. The proximity to Milwaukee allows significant pressure to this small fishery (30-acre lake). Changing the regulation to a 10 daily bag limit for all panfish species in aggregate on Amy Belle Lake could broaden opportunity and may help to maintain and improve panfish size structure and population abundance.

Would you support changing the daily bag limit on panfish on Amy Belle Lake in Washington County to 10 per day (all species in aggregate)?
