

Citizen Resolution # 700121

(For Hearing Officer completion)

Reduce the Panfish Bag Limit on Deer Lake Town of Marion

Reduce the bag limit on panfish from 25 to 10. Due to the small size of Deer Lake (15 Acres) and the effort by the Lake District to reestablish the panfish population after the 2014 freeze out by stocking the lake. Due to the unprecedented fishing pressure this past winter of up to 20 or more fishermen at numerous times taking limits of fish from the small lake.

It is hoped that approval of this resolution will allow the fish to reach a larger size to allow the species to reproduce with out the need of the Lake District having to supplement with stocking that they have done over the past years.
