

Citizen Resolution # 700322

(For Hearing Officer completion)

Use upriver sturgeon tag on lake winnebago after upriver season closes

Currently the upriver tags are valid for upriver only. When the harvest caps are met, the season closes. The harvest success is typically 50-60% upriver. Coupled with the fact that some upriver tag holders intend to only spear upriver, the impact on the Lake Winnebago quota will be minimal.

Would you support the use of upriver sturgeon tag on lake winnebago once the upriver season has closed?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
