

Oakfield, Fond du Lac County

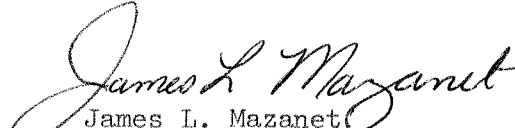

Wastewater Receiving Stream Classification

Survey Date: 8-6-75

The Village of Oakfield operates an activated sludge wastewater treatment plant. Effluent is discharged to Campground Creek or Byron Creek. Campground Creek is classified as a Class II trout stream to County "Y". West of County "Y" the stream meanders through agricultural land. (see photos) An examination of bottom life at the County "Y" bridge revealed mayflies, cattsiflies, crayfish, leaches and elmiidae. Campground Creek has a $7Q_{10}$ of 0.18 CFS.

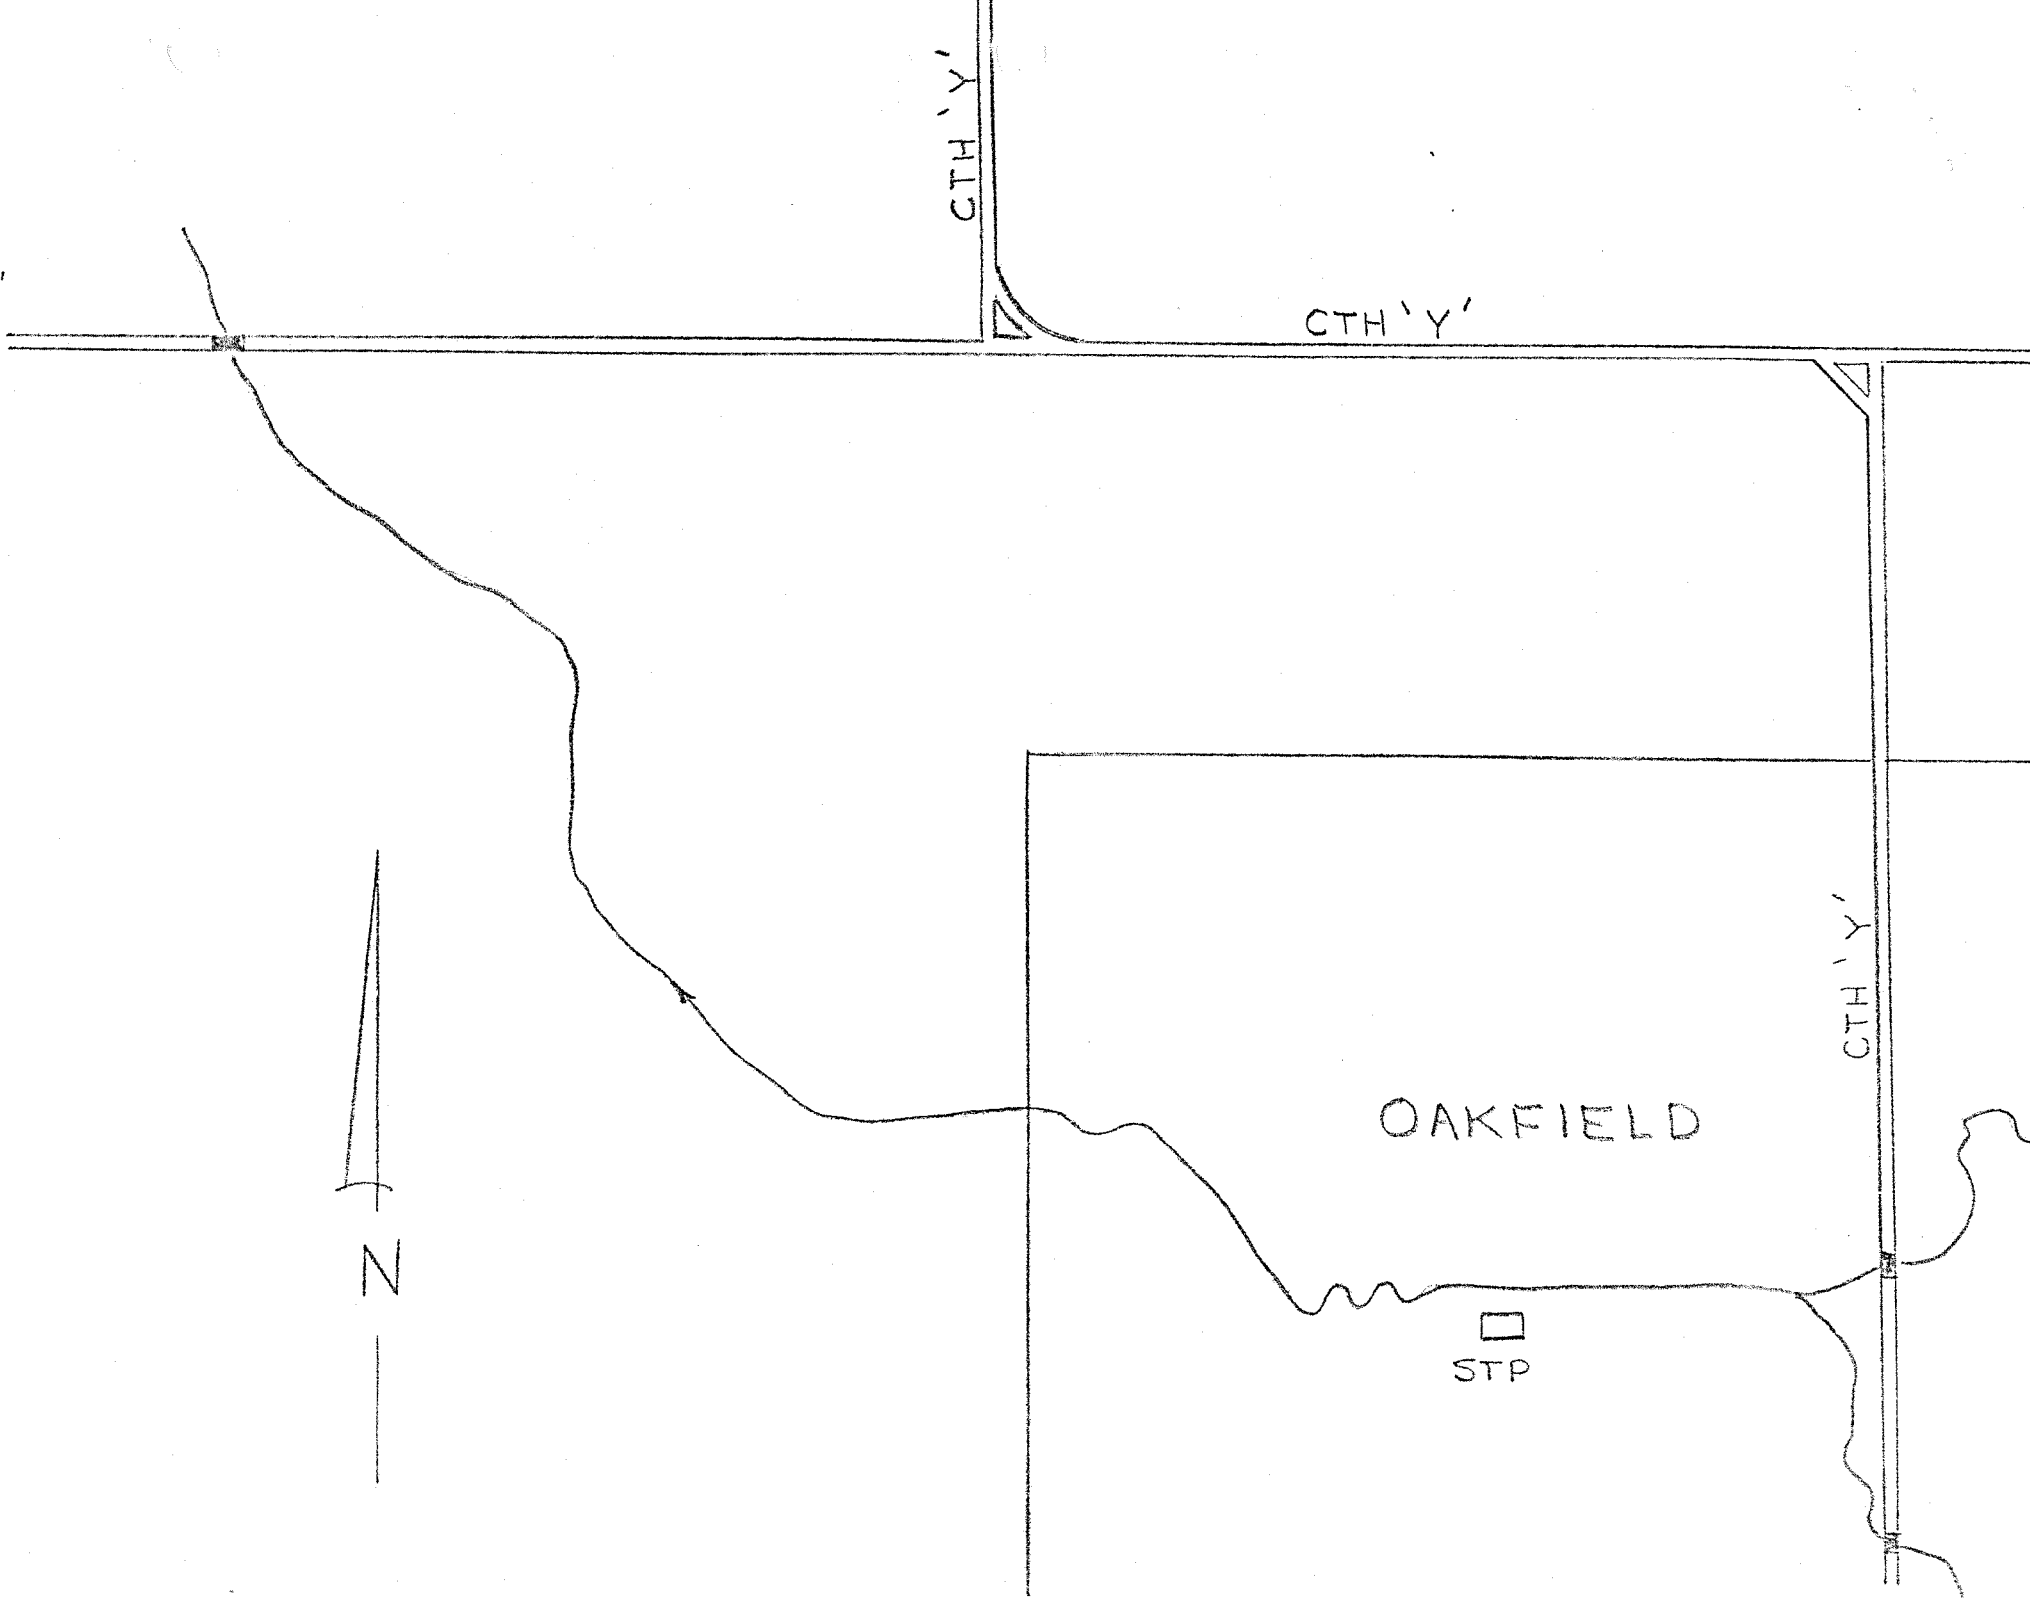

Recommendations

Campground Creek shall be classified as a continuous fish and aquatic life stream.
