

August 31, 1976

Survey Date: May 19, 1976

Town of Herman Sanitary District - Sheboygan County

The proposed Town of Herman STP would serve the unincorporated Village of Franklin and Lakeland College. Effluent from the lagoon facility would discharge to the Sheboygan River downstream of the impoundment.

The fishery in this river stretch consists of bass, panfish, and northern pike.

Recommendation:

Continuous, fish and aquatic life.
