*Do you know what the Ice Age National Scenic Trail is? Why it is located where it is? Do you use the Trail? Do you know how to get involved? The Ice Age Trail Alliance is the non-profit, private partner whose mission is to **Create, Support and Protect the 1000-mile Ice Age National Scenic Trail**. This presentation will provide a broad base of information about hiking and maintaining the Trail including;*

- A brief overview of the IATA, the Trail and some basic geological formations
- First hand stories from a local "1000-Miler" and her adventures along the way
- Actions you can take to get involved with the Ice Age Trail Alliance
- Trail resources to help with your Trail adventures
