SUBJECT: Amendment to the Dane County Water Quality Management Plan

Dear Mr. Lane:

We have completed our review and approve of the requested amendment to the Dane County Water Quality Management Plan to add 24.5 acres to the CUSA, including 1.5 acres of existing development, resulting in a 23 acre increase in developable area (see map Resolution RPC No. 1001). The City of Madison must also ensure that DCRPC stormwater conditions are met to protect receiving waters and other sensitive resources in the service area.

The approval of this revision does *not* constitute approval of any of the following:

- private sewage systems pursuant to Chapter COM 83 (WI Admin. Code),
- sewer extension pursuant to Chapter NR 110 (WI Admin. Code),
- authority to alter the bed or banks of any navigable waterway (Chapter 30, WI Stats.),
- certification for any wetland alteration (Section 401, Federal Water Pollution Control Act, and NR 103, 299, WI Admin. Code).
- takings of threatened and endangered resources pursuant to Wisconsin Statutes 29.415

Those approvals must be obtained separately from the respective agencies. In addition, storm water management plan development is required for any construction site activity disturbing five or more acres of land pursuant to Chapter NR 216 (WI Admin. Code). Any person aggrieved by this approval has the right to appeal the decision. Wisconsin Statutes and Administrative Code establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to s. 227.52 and 227.53, Wisconsin Statutes, a petition for review must be filed within 30 days after service of the decision. The respondent in an action for judicial review is the Department of Natural Resources. This notice is provided pursuant to s. 227.48(20), Wisconsin Statutes.

Sincerely,

Charles R. Ledin, Section Chief
Great Lakes & Watershed Planning Section
Bureau of Watershed Management

Resolution RPC No. 1001

Amending the *Dane County Land Use and Transportation Plan* and
Water Quality Plan Revising the Central Urban Service Area
Boundary for Morey Field in the City of Middleton

WHEREAS, the Dane County Regional Planning Commission has adopted, amended and reaffirmed a *Dane County Land Use and Transportation Plan* and *Water Quality Plan*; and

WHEREAS, said plans delineate urban service areas and environmental corridors as amended through September 2003; and

WHEREAS, the City of Middleton has requested a change to the Central Urban Service Area based on the *City of Middleton Northwest Quadrant Plan*, dated April 2003 and *A Planning Document for Morey Airport*, 1997; and

WHEREAS, a staff analysis of the proposed amendment has been prepared which indicates that the amendment is generally consistent with adopted regional plans and policies, and with criteria for urban service area expansion;

NOW, THEREFORE, BE IT RESOLVED that in accordance with §66.0309, Wis. Stats., and Sec. 208 of Public Law 92-500, the Dane County Regional Planning Commission amends the *Dane County Land Use and Transportation Plan* and *Water Quality Plan* by revising the Central Urban Service Area boundary in the City of Middleton as shown on the attached map. Approval of this amendment is based on the land use and urban service plans submitted in support of this amendment and on the condition that the City of Middleton pursue the following:

Submit a stormwater management plan for review and approval by DCRPC and DCLCD staff, providing stormwater quality management to the maximum extent practicable.

It is also recommended that the City pursue the following:

Require an archaeological survey of the amendment area and provide two copies of the report to the State Historical Society.
