Dear Mr. Hanson:

Kapur Inc. (Kapur) has completed Post-Construction Documentation at the above referenced site for the Materials Management Plan approved by the Wisconsin Department of Natural Resources on May 10, 2019. This submittal includes owner contact and property information, maps and drawings of how the contaminated material has been managed, details of the work conducted including any deviations from the approved management plan, field observations and/or monitoring results conducted during the management activities, and a description of how the new site conditions are protective of human health, safety, welfare and the environment.

If you have any questions or comments, please feel free to call me at 414-751-7279.

Sincerely,

KAPUR INC.

Travis Peterson
Associate, Senior Project Manager
