Greetings,

The WI Department of Natural Resources - Remediation and Redevelopment Program in the Northern Region is undergoing some changes to the distribution of workload among our staff.

This letter is to inform you that a new project manager has been assigned to the above mentioned case.

The new Project Manager for your case is:

Philip Richard  
WI DNR  
875 S 4<sup>TH</sup> Ave  
Park Falls, WI 54552-1130  
(715) 762-1352  
Philip.Richard@wi.gov

Please inform your consultant of this change and direct all future submittals and/or inquiries regarding your case to your new project manager.

The Department appreciates your effort at cleaning up the environment at your site.
