Subject: MW Abandonment Rymenams Property #03-27-109550

Good morning Ron,

Due to the PECFA sunset fast approaching, the closure committee has authorized abandonment of wells at this site. Because the lien on the property has not been processed, we are not able to provide a formal response to the closure request yet. I have tried to reach out to the RP about this and the fee with no luck.

Let me know if you have any questions.

Thanks.
