Hi Ken, I will put a note in Tracker for the MDT 41 private locate for \$200.00. This will be noted under the previous approval dated October 25, 2019. Please contact me asap if the bid comes in more than \$200.00. This email serves as your approval to go ahead with the private utility locate for \$200.00. Please submit this email along with your claim. If you have any questions, let me know. Thanks for your patience, Carrie

Thanks Carrie.

Can we add a Private Locate (U&C Task MDT41)? (guessing \$200)

We are drilling around the cell tower and it would be pretty bad if we hit something. Private locator (Kohnen) should be big help locating private buried wires (if any).

Maybe you can simply add to Tracker...???

Thanks
