Subject: FW: Well Abandonment Forms - Wild Card Bar - Turtle Lake

Carrie.

Please recall that we were unable to locate MW-1 and MW-4 due to snow piles (see email below).

I returned yesterday and located MW-1 and MW-4 and abandoned them.

This changes the U&C invoicing... we were approved for commodity to abandon but need to change to consultant.

Task 8:

U&C Code: WAB10 - Well abandonment by Consultant

2 wells (MW-1 & MW-2 – each 15 ft)

30 ft x \$2.60/ft = **\$78**

U&C Code: **WAB30 - Mob/demob \$398.48**

Total: \$476.48

Please approve this invoicing change.

Thanks

Hi Carrie.

We abandoned monitoring wells at the Wild Card Bar site in Turtle Lake.

However, we could not locate MW-1 and MW-4 due to snow piles.

We will return in a few weeks to abandon those wells.

Attached are well abandonment forms for the wells we recently abandoned. I will send remaining well abandonment forms when completed.

Thanks
