**Subject:** Wild Card MW abandonment-APPROVED!

Hi Ken, this email serves as your approval to abandon MWs1 & 4 for the amount of \$476.48. The MW abandonment was originally approved on March 9, 2020 for a commodity to abandon, but these (2) MWs were under a snow pile. Please submit this email with your claim. If you have any questions, let me know. Thanks, Carrie

Carrie.

Please recall that we were unable to locate MW-1 and MW-4 due to snow piles (see email below).

I returned yesterday and located MW-1 and MW-4 and abandoned them.

This changes the U&C invoicing... we were approved for commodity to abandon but need to change to consultant.

**Task 8:**

**U&C Code:** WAB10 - Well abandonment by Consultant

2 wells (MW-1 & MW-2 – each 15 ft)

30 ft x \$2.60/ft = **\$78**

U&C Code: **WAB30 - Mob/demob \$398.48**

**Total: \$476.48**

Please approve this invoicing change.

Thanks

Hi Carrie.

We abandoned monitoring wells at the Wild Card Bar site in Turtle Lake.

However, we could not locate MW-1 and MW-4 due to snow piles.

We will return in a few weeks to abandon those wells.

Attached are well abandonment forms for the wells we recently abandoned. I will send remaining well abandonment forms when completed.

Thanks
