Mr. Delcore—

Our office is assisting the Holy Trinity Congregation of Kewaskum, Wisconsin with respect to the recent request of Herriges Oil for Case Closure. The Holy Trinity school and playground are immediately adjacent to the Herriges site (though the playground is across Prospect Street.) We received the Closure packet yesterday morning from Herriges but have not fully analyzed it yet. We also have not yet negotiated any arrangement with Herriges for responsibility for any continuing obligations.

We therefore ask that you extend the time for comment on the Closure request for an additional 30 days, which I believe extends the time to August 10, 2020.

Please feel free to contact me if you have any questions or comments, and for a brief discussion after you have had a chance to take an initial look at the Closure request.

Thank you.

[cc is to the Congregation's Director of Admin Services]
