Subject: Phone Conversation Regarding Falls Auto Salvage- BRRTS#: 03-43-111921

Ms. Vicki Roberts,

I would like to thank you, Mayor Brad Rice and Attorney Larry Jeske for taking the time on May 29th to discuss Falls Auto Salvage (the site) ([BRRTS#: 03-43-111921](#)) with Roxanne Chronert, Remediation and Redevelopment Supervisor (920-662-5120), and I. Based on our conversation, you currently do not intend to change the use of the site from being a paved parking lot. However, should you decide to change the use of the property, contact the DNR prior to taking any action in order to ensure the future use of the property is protective of public health, safety and welfare. Attached is a link to the DNR [Local Government Unit \(LGU\) Exemption website](#).

As we also discussed, there may be [funds available](#) to assist with the site investigation, should you choose to move forward, including [WI Assessment Monies \(WAM\)](#).

Roxanne or I would be happy to further discuss these options or any other questions you may have. Thank you for your time.

Sincerely,
Andrew James
