Dear Mr. Farley:

This will confirm our recent ~~telephone~~ conversation, when you agreed to extend the April 27, 1997 date in your March 17, 1997 letter, for written verification that we have hired an environmental consultant, to May 27, 1997.

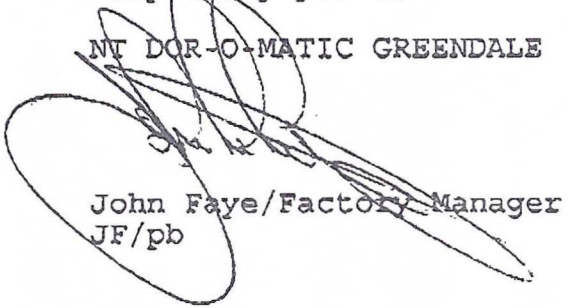

As you know, we requested this extension due to problems we are having with the Shareholders Committee involved in the recent sale of our company relative to the selection of the consultant.

Thank you for your cooperation.

Very truly yours,

NT DOR-O-MATIC GREENDALE
