Subject: Decorah Shopping Center Annex, Vapor Results for 961 Lincoln West BRRS #: 02-67-151266

Bernie,

The DNR reviewed your data submittal for vapor testing at 961 Lincoln West and recommends three rounds of sampling be done at minimum. Also from your letter it is unclear if an outdoor ambient air sample was taken. The DNR recommends that be done on the next round if it is not in the plan.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
