KEY ENGINEERING GROUP, LTD.
File No. 0712007

Dear Ms. Grundl and Ms. Rozak:

Pursuant to Ms. Karen Schapiro's January 22, 2001 letter, the purpose of this letter is to provide the Wisconsin Department of Natural Resources with documentation associated with the former occupancy of the property located adjacent to and east of the above referenced site (K-W Manufacturing and Engineering (K-W)).

As indicated in Key Engineering Group, Ltd.'s (KEY's) November 14, 2000 *Investigation Results* letter, a review of historical city directories indicated that the K-W property was occupied by "Carmen-Conley, Inc. Laundry and Dry Cleaning Supply." Based on this information, KEY reviewed City of Milwaukee Building Inspection records for the K-W property. These records indicated that Carmen-Conley, Inc. occupied the property from the time of building construction in 1967 to 1976 and used the building for warehousing laundry and dry cleaning supplies. Copies of the applicable Building Inspection documentation are attached.

Please call if you have any questions or need additional information.

Sincerely,

KEY ENGINEERING GROUP, LTD.
