Re:

Water Supply Well Sampling

141 W. Vallette Street, Oxford, Wisconsin

DNR BRRTS# 03-39-168015

Dear Ms. Long:

Attached is a copy of the laboratory report for the water sample collected from your well on July 28, 2017.

No petroleum contamination was detected in the sample.

Thank you for your cooperation with this sampling. If you have any questions, please feel free to contact me at 608-355-8860, or by email at jenglebert@msa-ps.com. If you wish to discuss this investigation with the DNR, the DNR project manager for the case is Tom Verstegen. He can be reached at 920-424-0025, or by email at Thomas.Verstegen@wisconsin.gov.

Sincerely,

MSA Professional Services, Inc.

131 W. Chauncey Street, Oxford, Wisconsin

DNR BRRTS# 03-39-168015

Dear Mr. and Mrs. Paskey:

Attached is a copy of the laboratory report for the water sample collected from your well on July 28, 2017.

No petroleum contamination was detected in the sample.

Thank you for your cooperation with this sampling. If you have any questions, please feel free to contact me at 608-355-8860, or by email at jenglebert@msa-ps.com. If you wish to discuss this investigation with the DNR, the DNR project manager for the case is Tom Verstegen. He can be reached at 920-424-0025, or by email at Thomas.Verstegen@wisconsin.gov.

Sincerely,

MSA Professional Services, Inc.
