Mr. Berndt,

Wisconsin Department of Natural Resources (WDNR) is requesting an update on the status of the Bureau of Remediation and Redevelopment Tracking System (BRRTS) case, "Winners Circle Automotive" BRRTS # 03-39-168015. On June 18, 2020, WDNR received a closure request packet prepared by MSA Professional Services Inc, without the required closure fees (\$1700.00). As discussed on our November 19, 2020, phone call, you must provide the closure fees associated with your June 18, 2020, closure submittal in order for the WDNR to review your request for case closure. The closure fees may be mailed to:

Denise Danelski  
Environmental Program Associate  
2984 Shawano Avenue  
Green Bay, WI 54313

The fees may be made payable to:  
Wisconsin Department of Natural Resources

Please contact me if you have any questions or concerns.

Sincerely,  
Andy James
