Carrie,

I just received your voicemail from yesterday afternoon. Yes, Mitch and I were discussing the sampling yesterday and we would appreciate a mob charge for running out to Hannibal for those confirmation samples. I talked to the Witkowski property resident yesterday and he is alright with me stopping in any time and grabbing a sample. I plan to do so some time later this week. We still plan on trying to get another round for all the wells before Christmas, if weather allows. What do you prefer for time between sampling? We sampled it last about 1 month ago.

Thank you Carrie!

Anna Beckman
