Hi Rick,

I reserved meeting room at 10:30 am on Nov 16<sup>th</sup> here in Fitchburg to discuss the case. The fee is \$700; please submit the fee with and the technical assistance request form (attached). I also attached my 2014 file review email, per your request. And as a follow-up to our phone call, the project will need to comply with the oversight and certification requirements in NR 712, as well as the rest of the NR 700 series rules.
