Dave,

Just an email confirming for the record that I am waiting for your email revising the tonnage over-runs referenced below.

Thanks.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Gina, total tonnage for OW Sport dig was 1,131.35 tons.

Attached is the change order for the additional tonnage.

Thank you,
David N. Larsen P.G
Senior Hydrogeologist / Professional Geologist

Update. It looks like we went over on tonnage by about 10%. Total tonnage is roughly about 1130. I should have final tonnage later today. Home is being back filled and final graded today
