Tim,

I am approving the commodity charge over runs associated with the excavation, hauling, landfilling, backfilling and compaction of 131.13 tons of soil at the OW Sports property. For your reference, attached are costs that were approved with the original variance bid award for the excavation at this site..

Please email or call if you have any questions.

Thanks, and have good vacation.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
