Subject: OW Sport

Gina, I missed notifying you that the well installed immediately west of OW was intended to be installed in roadway, but was actually installed in the sidewalk. This resulted in a concrete penetration (sidewalk) that was not included in the original approval. Do you need a change order request, is this sufficient or am I just out of luck on getting cost approval?

Thank you,

David N. Larsen P.G

Senior Hydrogeologist / Professional Geologist
