Subject: Status Update Request
WI DOT Old Dutchmill, N2271 STH 45, Town of Auburn, WI
BRRTS # 03-20-183944

Dear Mr. & Ms. Ostrander:

The purpose of this letter is to request an update on the status of the above referenced Leaking Underground Storage Tank (LUST) case. On June 16, 2020, your consultant, Endeavor Environmental Services Inc. (Endeavor) submitted your site for closure consideration. On July 28, 2020, Wisconsin Department of Natural Resources (DNR) reviewed your closure request and paused the review pending revisions to the closure packet. On August 13, 2020, DNR sent a list of requested revisions via email, to Endeavor. On February 3, 2021, a status update request was sent via email to Endeavor. To date, DNR has not received the requested update as to the status of your site.

Please know that you are out of compliance with Wisconsin Statute (Wis. Stat.) chapter 292 and Wis. Admin. Code chapters NR 700 through NR 754. Please be aware that DNR may initiate enforcement action against you for failure to comply with Wis. Stat. chapter 292 or Wis. Admin. Code. Your legal responsibilities are defined both in Wis. Stat. chapter 292 and Wis. Admin. Code chapters NR 700 through 754. **DNR is requesting by March 15, 2021, you provide an update as to the status of your site or submit the requested revisions to your closure packet.** If no progress is made, DNR will have no other option than to initiate our enforcement process.

If you have any questions, please call Andy James at (715) 527-0114 or email at Andrew.James@wisconsin.gov for more information.

Thank you for your cooperation.

Sincerely,

Andy James
Hydrogeologist
