RE: Claim Number and Site Eligibility **53210-2531-02**

The Department of Commerce has received your request to access the Petroleum Environmental Clean-up Fund Award (PECFA) Program. Your request identified the above site for a petroleum contamination clean-up.

Assigned to this site, for claim identification purposes with this office, is the PECFA claim identification number **53210-2531-02**. **Please include your assigned PECFA claim identification number with all correspondence** to our Department and on all forms in the spaces provided.

From the information available to the PECFA Program, it appears that a discharge from the tank system **is eligible** under the PECFA program for petroleum contamination clean-up costs. The tank system(s) identified as inclusive with this eligibility finding is/are: 19090, 19096, 19097, 19099, ELIGIBLE.

The program deductible is based on a per "occurrence" (contamination plume) basis. An "occurrence" is defined as a contiguous contaminated area of one or more petroleum products. The number of occurrences for this site has not been determined. Determination will be made at the time of claim review. The tank type classification that your eligibility falls under is: UNDER GROUND MARKETER. Please read the explanation regarding your tank type in the enclosed brochure.

The cost of remedial action, soil testing, clean-up and other costs associated with non-eligible tank system(s) or products are **not** reimbursable under the program. Any PECFA clean-up must be done in the most cost-effective manner possible. All invoices submitted for reimbursement must be adequately itemized to document remedial tasks performed.

The necessary claim forms are enclosed for the submittal of your claim to the PECFA program. If you have any questions about the Petroleum Environmental Clean-up Program, please feel free to contact me.

Sincerely,

*Renee' Dickey*
