Good morning Jason,

It is my understanding that you do not plan on claiming costs for the letter report, prepared and submitted to the DNR on 4/29/2020, but if you were to claim the costs for the letter report (\$1,070.47), they will go towards the total of the Soil and Groundwater Investigation Report (SGIR05, Task 23) (\$5,114.31).

Thank you,

We are committed to service excellence.
