On January 22, 2019, the Wisconsin Department of Natural Resources (Department) received a scope of work (SOW) and cost estimate utilizing the chapter NR 747, Wisconsin Administrative Code, Usual and Customary Cost Schedule (Cost Schedule) for the site referenced above. That request contained a variance to the U&C Cost Schedule (\$1,000.00) for the line item "Change Order Request". In a letter dated January 31, 2019, that variance was denied and, in its place, the U&C cost for that task (\$381.78) was approved. Subsequently it has been determined that the variance request from January 22, 2019 was appropriate and should have been approved. Therefore, the Department is rescinding the \$381.78 cost approval for the line item "Change Order Request" and approving a variance of \$1,000.00.

The Department approves a variance from the Cost Schedule for preparing the change order request. Do not include these costs (\$1,000.00) on the standardized invoice for usual and customary cost activities. Include these costs on a separate company invoice. When you submit the claim for these costs, please attach a copy of this letter and the attached worksheet for the claim reviewer's reference.

Thank you for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (920) 424-0025.

Sincerely,
