Good Afternoon Mr. Katz,

Thank you for the email documenting completion of the sidewalk repair. Information received with the repair request and documentation of completion will be uploaded to the DNR BRRTS database. All requirements in the case closure letter are still in effect. Please continue to conduct annual inspections and maintain the Barrier Inspection Log included in the site's maintenance plan.

The DNR appreciates your cooperation in meeting the continuing obligations related to this closed case. Please contact me if you have any questions or concerns.

Sincerely,

David

Mr. Hanson –

The described repairs have been completed. Please see the attached photos. There was no soil disturbance, only a removal and replacement of the necessary concrete. Any questions or concerns, please do not hesitate to reach out to my office.

Thank you.

Good Afternoon Matt,

This email serves as a notice to proceed with the sidewalk repair project at 5821-5835 W. Silver Spring Dr., Milwaukee. If you are considering additional changes beyond those described, a new request must be submitted to the DNR for review and approval.

After the repair work has been completed, please submit final documentation that includes a summary of completed actions, documentation of any soil disposal activities and photographs of the new sidewalks.

If you have any questions regarding this project, please contact me.

Sincerely,

David
